

IKUSASA E-RECEIPTS

(ENTERPRISE, BUSINESS, POS)

IQ IKUSASA E-RECEIPTS

iKusasa which means “The Future” in Zulu. iKusasa was established to build a convenient payment platforms to service the South African / African market.

The need to make more environmentally sustainable choices has inspired this new mobile technology.

iKusasa is proud to launch the World's First Document to WhatsApp solution. Consumers no longer need to safeguard their paper based receipt.

The files are safely stored in their WhatsApp profile.

STEPS TO FOLLOW:

1. Register iKusasa eReceipts in IQ
2. Setup iKusasa in IQ – Module Parameters
3. Cash Sale – Enter mobile phone number
4. How to register iKusasa on a clients device to view till slips

STEP 1

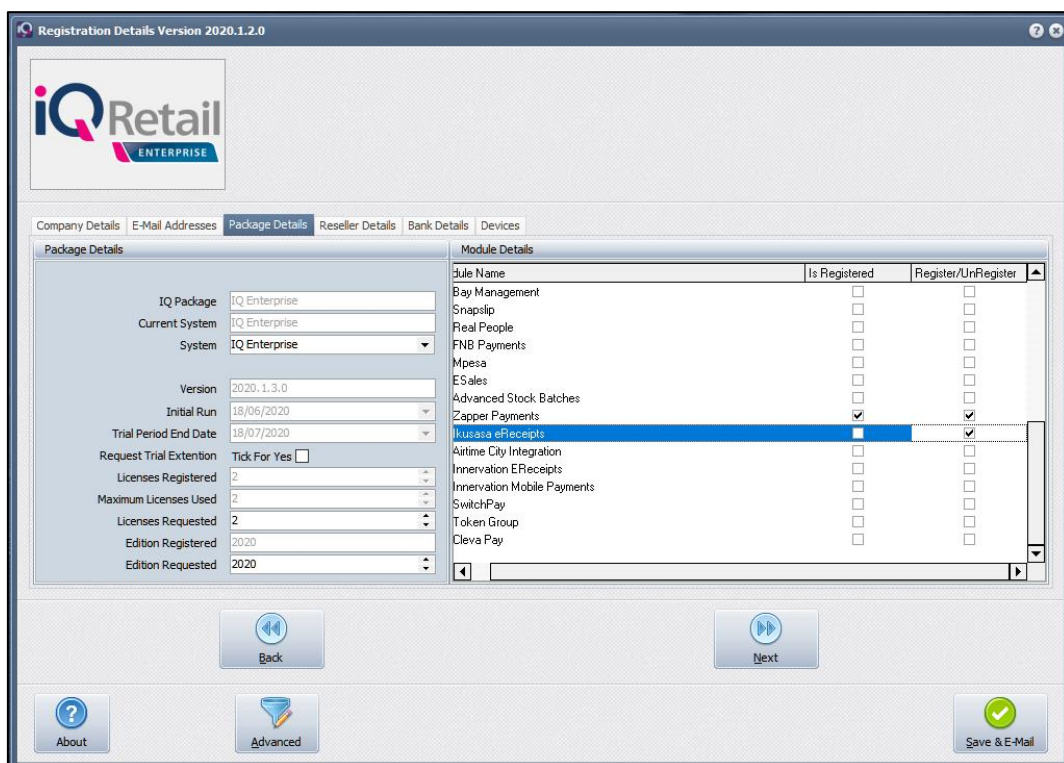

REGISTER FOR THE IKUSASA E-RECEIPTS MODULE

This is an add-on module that requires additional licensing and registration. You will only get access to the iKusasa e-Receipt, when you have received the additional registration.

Contact the Sales Department at IQ Retail for the latest prices on the software.

Select the Support Menu Option → Register IQ Enterprise → Package Details → iKusasa eReceipt

Tick the box for 'Register' iKusasa eReceipts under Module Details.

If the Save & Export option is used, email the reg.txt file to iqregistration@kerridgecs.com.

If the Save & E-mail is used, select the button at the bottom of the screen.

The End User Licence Agreement will appear on the screen. You must agree to the Terms and Conditions in the End User Licence Agreement by ticking the box and selecting the Accept button to continue to the e-mail setup screen and send the email as per normal.

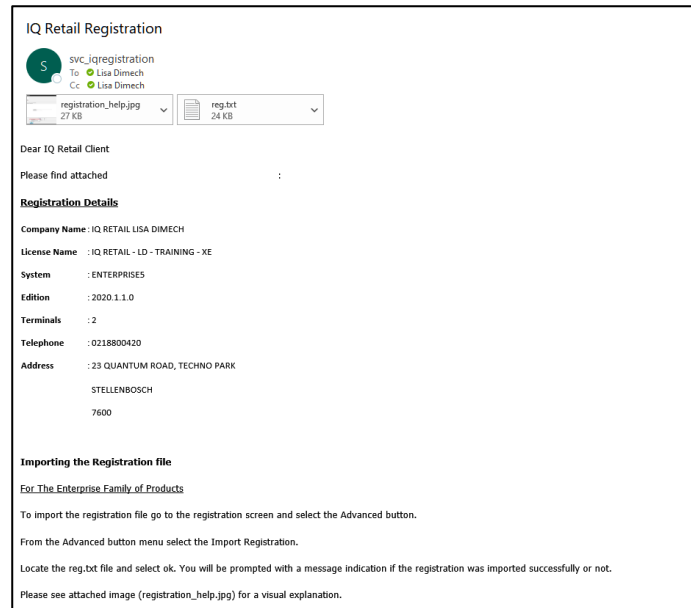

Please send the Proof of Payment for the registration to iqaccounts@kerridgecs.com.

After payment has been received, the registration will be sent back to the listed email in the registration details.

REGISTRATION EMAIL

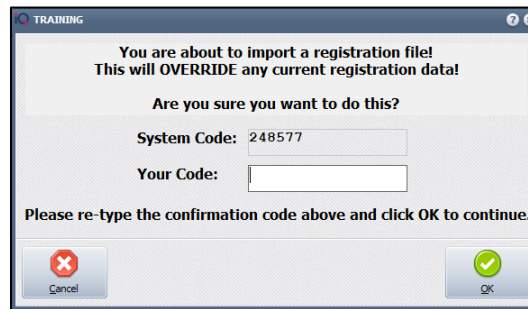

You will receive an email, save the reg.txt attachment to e.g. Desktop.

Example of email below:

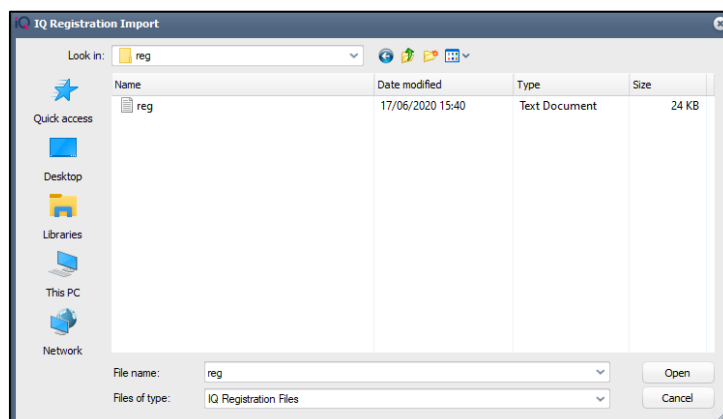

Select Support → Register IQ Enterprise → Click Advance → Import Registration.

Re-type the confirmation code (remember it is case sensitive) and select OK.

Go back to where the reg.txt file was saved and open it.

Select ok to complete the registration process.

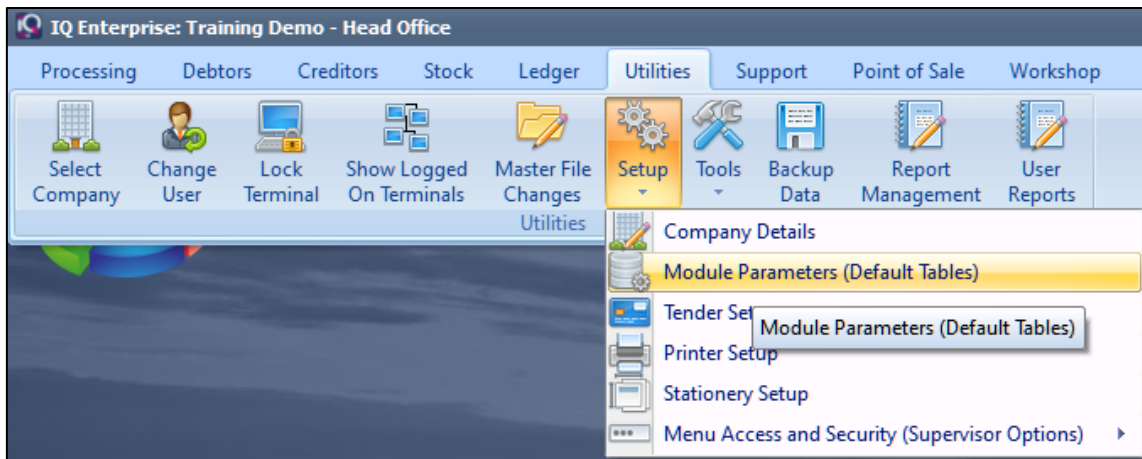

STEP 2

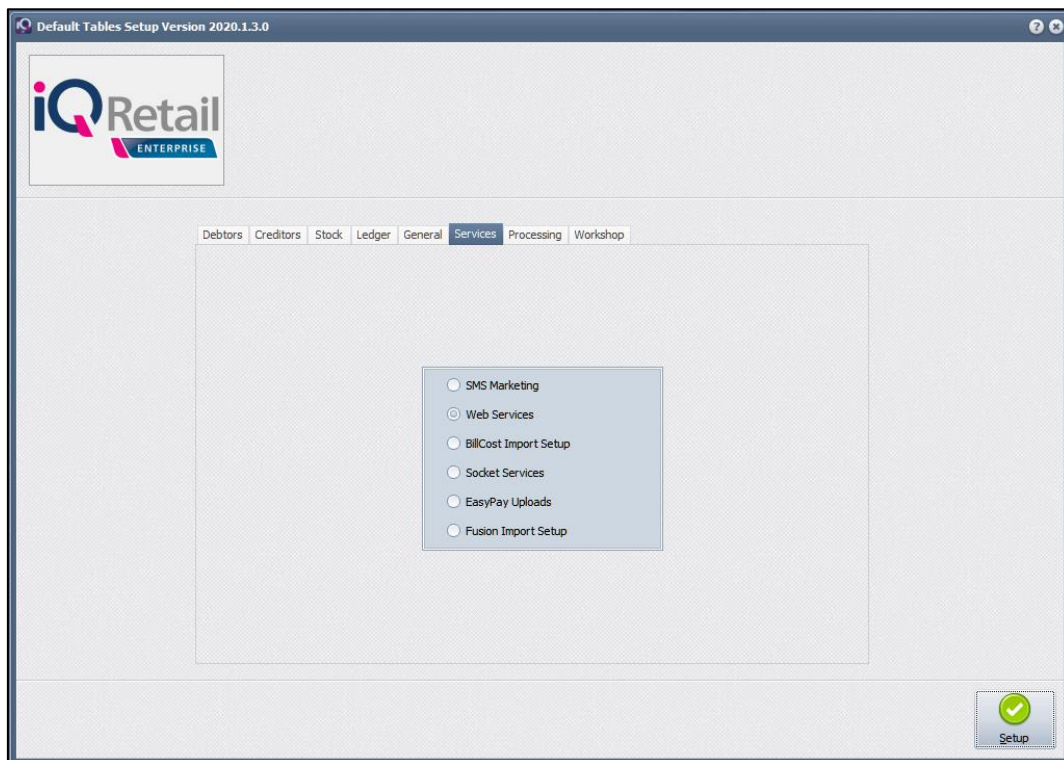

SETUP IKUSASA E-RECEIPTS IN IQ – MODULE PARAMETERS

This module is an add-on module that requires additional licencing and registration. You will only get access to iKusasa EReceipts, when you have received the additional registration.

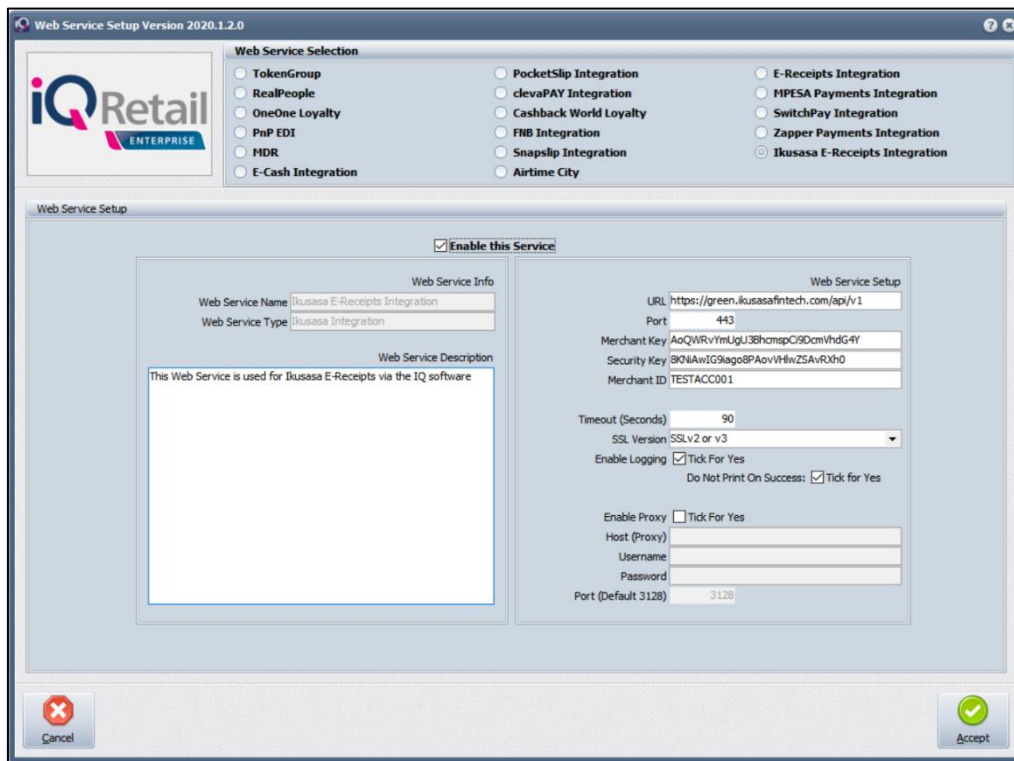

Contact the Sales Department at IQ Retail for the latest prices on the software.

Select the Utilities Menu Option → Setup → Module Parameter → Services → Web Services → Setup

Select the iKusasa eReceipts Integration option and Click Enable this Service
